

Don't Wing It

Although He was a Son, He learned obedience through what He suffered and making Him perfectly [equipped], He became the Author and Source of eternal salvation to all those who give heed and obey Him.
—Hebrews 5:8-9

Greetings in the name of the Lord,

As I read this scripture, I thought to myself, Tedra are you doing all you can to make Tropical Florida PW strong, active and productive. Am I winging it to be productive, if so, it is time to make it productive by doing the work of the Lord and not winging it.

Even Jesus was trained and prepared by the suffering he went through. He was equipped for his office as High Priest through his times of preparation. If Jesus needed preparation to be equipped for his job, there is no doubt that I need the same thing.

Tropical Florida PW is seeking all 42/41 congregations become active in PW. My goal is to reach out more to each church, introduce myself, get reacquainted with the churches and sit and listen to the concerns and answer any questions they might have about PW.

Presbyterian Women purpose state, we are to nurture, build a caring group of women that strengthens the Presbyterian Church USA. We are to do the mission work of the Lord. Fight for justice and peace, and my goal is to give all of what our purpose says 100%.
